Since its inception in 1982, the annual Young Designers’ Exhibition (YODEX) is now entering its 32nd year. YODEX (Young Designers’ Exhibition) boasts to be the largest design exhibition especially oriented to students in Asia. It is an exhibition which brings works of graduating students under one roof, attracting more than 95,000 visitors from Taiwan and abroad yearly. During 4 days of exhibition, visitors witness dynamic power of young designers in various design disciplines such as fashion design, industrial design, visual communication, and interior design. As far as design students are concerned, YODEX offers a good opportunity for them to interact with one another and contributes to their pursuit of a promising career.

The 2011 iF Concept Award was for the first time held its awarding ceremony at YODEX 2011. Design students from Taiwan bagged 31 among a total of 100 awards presented. Over the years, YODEX has built a stage of international exchanges of creative ideas.

(ce) Please specify exhibitor name and the name of this exhibition when making wire transfer. Exhibitor is required pay all expenses associated with wire transfer.
(ef) Please stick the wire transfer receipt to a sheet (attachment 5) when making wire transfer. Please also specify exhibitor name, the account of payment for booth security deposit, unified business number (if available), or other documents or seals helpful to the organizer for its filing of expenses in addition to the name of this exhibition and the exhibit area. All such information is required to be sent by email to the organizer in jpg format.

(d) Lighting and air conditioning are provided in public areas.

(e) Exhibitors will be responsible for stand design, furniture, equipment, stand construction and dismantling, insurance, traveling and accommodations, etc.

(f) Exhibitors will be provided with a certain number of complimentary visitor ticket(s) to YODEX and relevant events.

(g) For more details about stand booth construction and facilities on site, please refer to: Attachment 4: TWTC Exhibition Hall Ground Floor Operations Rules.

d. Withdrawal and Cancellation

(a) Exhibitor withdrawing from the exhibition must complete "Withdrawal Application Form" (Attachment 5) and mail the original copy to the organizer. The withdrawal will take effect only upon receipt of an official written notice of confirmation from the organizer. Withdrawal regulations are as follows:

(aa) For a withdrawal application after booth allocation meeting, the security deposit will not be returned at all.

(b) In the event that security deposit is not delivered before payment deadline, reserved booth will be cancelled.

(c) No exhibitor shall transfer or sublet booths. Violator will be construed as having withdrawn from the exhibition and security deposit will not be returned.

e. Exhibit Regulations

All overseas applications must present an exhibition proposal and are subject to approval by an advisory panel of design experts formed by the organizer. The exhibition proposal should include information on exhibit contents, pictures of exhibits and a booth design proposal. Some photos of previous performances, if any, are also expected. The organizer will not consider an application unless it is attached with images clearly showing design products/objects to be exhibited at YODEX.
The organizer reserves the right to accept or reject an application and determines the location, shape and numbers of booths for each exhibitor.

f. Catalogues and Other Promotional Materials

Publicity materials and pictures of an exhibitor feature in catalogue, website, and promotional ads if such information is provided before the deadline. If not, the organizer will take the liberty of using publicity materials and pictures already provided by an exhibitor in its documents. The organizer reserves the right to edit such information as it sees fit. Exhibitor is required to submit such information which will be used freely by the press for promotional purposes.

g. Application

The organizer will inform the applicant whether the application has been accepted or not no later than Feb. 28, 2013.

Please fill in the Application Form (Attachment 1). Overseas school must present to the organizer an affidavit stating that there is no authorization for an agent to apply for YODEX 2013 on its behalf if it applies by itself. It is also extremely important for an overseas school applying through an agent and not with the organizer to present a letter or other authorized documents to the organizer together with the proposal and filled attachment 2 before Feb. 28, 2013 to yodexinfo@gmail.com:

Attachment 3.1 Floor Plan – Hall 1, TWTC
Attachment  3.2  Floor Plan – Hall 3, TWTC (International Area)
A. Booth Decoration

a. Lessees shall submit blueprint of booth layout/decoration and related document to the Taiwan External Trade Development Council (TAITRA) for examination one month prior to booth construction. Items with no prior approval from TAITRA may not be considered.

b. Lessees must coordinate with TAITRA one month in advance on the use of entrances and exits for persons, vehicles and moving machines during the move-in and move-out periods. TAITRA must be briefed at least one month prior to the exhibition as to the plan for the entrances/exits for visitors during the exhibition, visiting routes and control measures, and other matters so that the event can be better coordinated.

c. Decoration and furnishing use shall be limited to within the leased space. Various public areas and facilities in and outside the showground such as entrances, empty space, passageways, elevators, escalators, stairways, public wall, exits, switch boxes, various floor outlets (including water supply outlets), etc., may not be occupied, blocked or posted with publicity materials. No booth or obstacles is permitted in front of fire hydrants and such space may not be blocked. In the case of a violation, lessees shall be required to make immediate alteration otherwise TAITRA shall demolish the construction without notice with any expense being deducted from the security deposit.

d. If lessees desire to set up billboards, publicity arches, signs and flags, etc., around or outside the building, they must apply directly to relevant government agencies in advance for permission and take out Public Liability Insurance. Lessees shall set up roadblock warning signs and ensure that the set up will not be damaged due to the weather, strong breeze and other causes and injure the pedestrians. Lessees shall be solely responsible for any indemnity occurred.

e. Lessees shall take necessary measures to ensure the safe transport of exhibits and decoration materials in order to prevent injuries. Lessees shall be duly responsible for injury to any person or for any property damage.

f. Prefabricated, recyclable, re-usable, fireproof and environmentally friendly materials shall be used for booth decoration. Electric sawing, paint spraying and welding inside the building are strictly prohibited so as to prevent noise and air pollution. (The decoration on the second floor of the TWTC Exhibition Hall must be done by one contractor alone, with only prefabricated fireproof material being used. Wooden decorations are prohibited.)
g. Exhibits, decoration material and waste shall be completely removed from the Exhibition Hall by lessees (the show organizer) before the expiration of the leased time (cleared area includes inside the building and the surrounding area). Otherwise TAITRA will hire workers and trucks to remove the material to legal garbage fields and the lessee shall bear all expense which TAITRA will deduct directly from the security deposit. Lessees shall be solely responsible for the consequence if any legal dispute or claim of damage should hence arise.

h. The height of booth construction is limited to 2.5M (exhibits and partitions included). Signs or logos may be as high as 4M. If the height has to be increased for particular reasons, exhibitors shall obtain prior permission from TAITRA and take out Public Liability Insurance and Third Party Liability Insurance. Lessees shall present a guaranty and photocopy of the insurance sheet. (The height of booth construction on the 2nd floor showground is limited to 2.2M. Signs or logos may be as high as 2.3M.)

i. Flags or banners of the show must not cover fire hydrants and exit signs. Lessees must follow the specifications of TAITRA in producing flags (height within 360cm and width within 120cm). Flags must be removed after the exhibition and ropes and wire used to hang the flags must be cleared as well. Otherwise, TAITRA will hire workers to remove the flags and lessees shall bear the expenses which TAITRA will deduct directly from the security bond. (No hanging flag is allowed on the 2nd floor showground.)

j. Exhibitors with second-story booths must follow the “Construction Guidelines for Second-story Booths in the TWTC Exhibition Hall”. The show organizer must present a guaranty to TAITRA two weeks prior to the exhibition. (second-story booths are prohibited on the second floor showground and Hall 3.)

B. Operation Schedule

a. The opening hours during move-in/move-out periods are from 8AM to 5:30PM. Show hours are 9AM to 5PM or 10AM to 6PM (the hours may be adjusted upon negotiation). Lessees must apply for overtime operations and obtain permission for extra time, and the relevant overtime charge will be levied according to regulations.

b. During the leased time, the show organizer shall thoroughly clear the showground at the end of each exhibition day. If lessees extend the use of partial or the complete exhibition area without prior application to, and permission from TAITRA, TAITRA will charge for extended usage of the complete area and the charge will be deducted directly from the security deposit.
TAITRA is entitled to demand for immediate stop to such action. The lessee who violates the regulation twice or more may be turned down for leasing in the future.

c. Decoration/furnishing prior to the exhibition and demolition after the exhibition ends shall be scheduled according to the space used, complexity of decoration and positioning the exhibits, so as to avoid on-site request for early move-in or late move-out.

C. **Maintenance of Basic Facilities**

a. The use of nails and any damage on the surfaces of the floor, walls, columns or ceiling of the Exhibition Hall is prohibited.

b. When laying the carpet, special wide cloth tape must be used. To maintain a clean floor, no strong glue, adhesive or double-sided tape is permitted to be directly applied to the floor surface. When removing the carpet, all tape must be cleared and removed along with the carpet.

c. Power outlet pits, water control pits, drainage pits and faucets, etc. on the floor and columns shall not be covered or blocked.

d. Assorted lighting fixtures, spotlights, air-conditioning and cable conduits on the ceiling shall not be removed, changed or altered with decorations, exhibits and lamps.

D. **Installation of power pipes, water pipes and telecommunication facilities**

a. Lessees shall hire a qualified electrical engineering firm with the A-level electricity installation license issued by the government authority to take charge of wiring work. A written specification document with the signature of the firm should be submitted to TAITRA ten days prior to the exhibition.

b. All electricians working in the Exhibition Hall must meet the requirements of the “Rules Governing Control of Electrical Technicians” and be of the first grade or higher in the technician classification and hold labor insurance.

c. Equipment and materials used for electrical wiring must meet the Chinese National Standards (CNS). TAITRA is entitled to request a change of equipment and materials that do not meet such standards.

d. The sectional protective switches installed in the Exhibition Hall must not be over-loaded, changed, removed or appropriated by lessees or exhibitors.
e. Lessees shall be liable for fraud or incorrect electricity application, workmanship not in accordance with the working plan and improper workmanship. Lessees shall be held responsible for any loss of life and property thus resulting.

f. If lessees or their exhibitors need to set up various antennas, they shall approach relevant authorities for approval to exhibit, and also obtain prior permission from TAITRA. The position and routes must be in compliance with the regulation and expenses thus incur shall be paid by the lessees. Lessees shall be liable for removing relevant wires and facilities after the exhibition ends and restore the showground.

g. If water supply/drainage is needed (including 24 hour water supply/drainage), lessees must apply to TAITRA and pay the cost of installing water pipes from the original source set up in the showground to the designated point. (Water supply/drainage facilities cannot be installed on the second floor of the Hall).

h. Lessees and exhibitors who apply for 24-hour power supply may not hold TAITRA liable for power outages or reductions from the Taiwan Power Supply Company or unexpected breakdowns of the electricity facility in the Exhibition Hall.

i. Lessees and their exhibitors may apply for various telecommunication facilities and pay the required fees directly to telecommunication companies in accordance with their regulations.

E. Power Supply and Air-conditioning

a. Power supply rules:

(a) During Move-in/Move-out periods---110V power source on the columns and lighting on the ceiling are offered during the open hours for booth decoration and furnishing. Electricity for booths is not provided (the last day of move-in excluded). Full power supply during the approved period shall be available upon the completion of power supply application and shall be turned off at 5PM (overtime work excluded). Prior application is needed for early power supply.

(b) During the exhibition period---daily power supply shall be completed before exhibitors enter the hall. Lighting on the ceiling shall be turned off 15 minutes after the end of an exhibition (overnight lamps shall remain), and booth electricity shall turned be off, 30 minutes after the end of a show day.
Lessees or its authorized contractor shall determine the time range for power supply of the day prior to the exhibition and apply to TAITRA in written form. If at any point the switch-off time needs to be changed, lessees must inform TAITRA in written form one hour prior to the original switch-off time.

b. Air-conditioning

(a) No air-conditioning shall be provided during the move-in & move-out period.
(b) During the exhibition the air-conditioning shall start 30 minutes before the exhibition opens and last until 30 minutes after the close of each show time.

F. Use of Elevators for Cargo

The Exhibition Hall is equipped with two main cargo elevators for carrying exhibits and booth furnishing materials. (Nos. EV1 and EV2, door width 260cm and height 240cm, depth 365cm and carrying capability 5,400kg). Lessees, who require the use of main cargo elevators, must consult TAITRA in advance for the quantity and time required.

G. Use of Public Utilities

a. Lessees shall make proper use of the public utilities in the Exhibition Hall, and shall be responsible for repairing or compensation if any damage or loss occurs.

b. Lessees who use two or more sections for the exhibition may apply in advance to hold opening ceremonies free of charge at the space in front of the elevator on the ground floor of the Exhibition Hall. However, decoration may not start until after 12-noon one day prior to the usage, and such decoration should be removed immediately after the activity ends. Regarding non-opening activities, exhibitions which occupy only one section and decoration/removing outside the aforementioned period of time, the charge shall be calculated in compliance with the “Lease Rules for TWTC Exhibition Hall Public Area and VIP Rooms on the Ground Floor and Second Floor”.

c. Lessees may apply in advance to obtain approval from TAITRA to use the VIP room for reception purpose for one hour free of charge during the opening ceremony. The charge for other usage and at other periods shall be calculated in compliance with the “Lease Rules for TWTC Exhibition Hall Public Area and VIP Rooms on the Ground Floor and Second Floor”.
d. If two or more show organizers apply to use the aforementioned public areas and VIP rooms at the same time, TAITRA shall make arrangements for joint use by all parties. If joint usage is not possible, they should negotiate for the usage and time period.

e. All conference rooms, VIP rooms, aforementioned space and other public areas inside the Exhibition Hall are open for leasing on a charged basis.

H. Security Measures

a. Lessees shall hire security guards or administration staff to maintain the order of workers, vehicles, decoration materials and exhibits during the move-in and move-out periods, as well as the security of the decoration and exhibits during the exhibition. They shall take responsibility for ticket selling and checking badges and prohibiting children under 12 years of age from entering the showground. If no administrative staff is hired during the move-in/move-out and exhibition period, TAITRA is entitled to do so on behalf of the lessees and deduct relevant charge directly from the security deposit. Lessees shall prepare identification badges and supply TAITRA with samples of such for reference.

b. During the lease period, lessees shall designate persons to take charge of relevant issues and hire security guards for both daytime and nighttime. A roster of staff and security guards must be delivered to the Management Section of the Exhibition Department, TAITRA, three days before the lease time starts.

c. During the exhibition, lessees shall control of the number of workers and visitors on the showground in compliance with regulations, and function to maintain order and safety on the showground.

I. Miscellaneous

a. Sales of snacks and beverages on the showground are prohibited (food exhibitions excluded). TAITRA may consult the food/beverage contractor of the Exhibition Hall to set up temporary selling stops on suitable spots of the showground.

b. Exhibitors are prohibited from making noise higher than 80db during the exhibition. (60db for the second floor showground) If TAITRA detects noise over 80db after the first warning, a penalty of NTD 50,000 per noise source shall be charged on lessees and be deducted directly from the security deposit. Exhibitors who violate the rule without improvement shall have their power turned off and water supply shut off.
c. If smoke, waste gas, dust, smells, stimulating gas and organic chemical pollutants, etc., arise out of demonstration exhibits, exhibitors must be equipped with pollution handling facilities and take proper actions immediately. Such matters must not influence, impact, or interrupt nearby exhibitors. If any pollution occurs, lessees must prohibit the exhibitors from continuing the offending demonstration or exhibition, otherwise TAITRA is entitled to claim a penalty of NTD 10,000 from the lessee and deduct directly from the security deposit. With severe pollution, TAITRA shall shut down the power supply to stop the exhibition or demonstration.

d. If lessees need to use the broadcast system of the Exhibition Hall, the address draft should be approved and, if needed, revised by TAITRA in advance and then announced.

e. Lessees must prepare adequate fire control equipment in the exhibition area. Dangerous items and cooking with flames are strictly prohibited in the Exhibition Hall. Inflammable items should be avoided in the Exhibition Hall. If those items are necessary for the exhibition, related safety measure should be emphasized and obvious signs be posted. Show organizers are requested to issue a written guarantee and apply to TAITRA in advance to obtain such permission.

f. Exhibits for demonstrating shall be equipped with strict protection facilities to prevent injury to visitors.

g. Exhibits and decoration materials shall be moved properly. Dragging material across the floor is strictly prohibited to prevent damages to the floor surface.

h. Water/power supply contractors of the lessee shall designate staff to stay in the temporary office during the move-in/move-out and exhibition periods. They should leave their mobile phone numbers with TAITRA and carry walking mobile phones for emergency contact.

**Matters not covered herein shall be regulated and determined by TAITRA separately.**
